

**HOLD EVERYTHING MAGNETS** Hold maps, drawings, blueprints, notes and other important items on ferrous metal surfaces and at the same time keep paper clips, nails, pins, screws and other small metal items handy. The bottom of these powerful magnets will hold a ¼" thick pad of 3" x 3" sticky notes to a metal filing cabinet, while the versatile top keeps small metal objects handy. This magnet is a must for any home, office, or workshop. Each measures ½" x 1" x 2".

Hold Everything magnets also make great promotional items when imprinted with your message. See page 31.

**SUPER NEODYMIUM MAGNETS** Super Magnets are made of neodymium, the most powerful magnet material in the world! The largest size shown here is only the size of two dimes, but strong enough to hold a 1/4" thick pad of 3" x 3" sticky notes to a metal filing cabinet! Super magnets are great for projects that require extreme strength in a small size; or simply to amaze friends. Due to the extreme strength, these magnets can pinch fingers.
